First Baptist Family –

I would like to thank all of my church family for the prayers that brought me through my Covid illness last September and my rehab since. I still have a couple of months in cardiopulmonary rehab. The Covid affected my lungs with some scarring. However, my heart is strong. My doctors were surprised because they didn't think I would survive. My kidneys were not functioning, so they put me on dialysis. I was in an induced coma, so thankfully I wasn't aware of all the trauma or the ventilator that kept me breathing for the 2 weeks I was in the ICU. During that time I had a light stroke that affected my left side. The Doctors and therapist told me they didn't know how I made it through. Now they know it was the power of prayer. But then they also didn't know the First Baptist Church's prayer warriors. And what a mighty God we serve. And with him all things are possible. There is much more to my story, and I'm learning more all the time about what happened while I was sleeping. Bill was with me every day has told me a lot. So thank you all and may God bless you.

Love and prayers,
Janie Hill
