- Chidester family prayer items - Peg Chidester's niece has had her vision return to normal and is back to work. Keep praying for wisdom for them to keep the future of her health in mind when making decisions. For example, they were worried about money, but now they are considering a new, bigger house, with stairs. Kevin Chidester's mom, Barbara, has been diagnosed with stage 3 colon cancer. They will be doing further testing to see if it spread even further, making it stage 4. 16 of 31 lymph nodes had cancer. Chidester's are likely going to temporarily move to Oklahoma at some point to be near her. Barbara has refused chemotherapy. She is a Christian and ready. Peg is waiting for insurance to approve a cortisone injection in her sacroiliac joint. Hopefully this will help with the pain.
- Larry Grimm – Life threatening squamous cell cancer on chest. 4/22 – CT scan and blood work and 4/29 – Radiation consult.
