**Missionary of the Week**

DR. CHRISTIAN RATA serves the Lord with Training Leaders International (TLI), which is an organization dedicated to strengthening the Church by addressing a critical need. Pastors around the world, particularly in evangelical churches, often lack formal theological training. In fact, approximately 85% of these pastors lead congregations without such training. TLI responds to this theological famine by mentoring, preparing, and sending U.S. seminary students to serve as teachers, equipping local pastors with the knowledge and tools they need to lead effectively. Our church supports this ministry for \$60 a month.

**Family of the Week**
